

QIMR Berghofer 2025 Staff Survey – Launching May 6

The QIMR Berghofer 2025 Staff Survey will launch on Tuesday, 6 May and will close on Monday, 19 May at 11.59pm.

This survey is held every two years and is an important opportunity for all staff to share their thoughts and feedback. We want to make sure everyone has the chance to participate, and help us improve and grow as an Institute. The survey is conducted in collaboration with an external company called Xref to ensure responses to the survey remain anonymous.

Anonymous and secure

This is an anonymous survey. Xref Engage cannot identify who has or has not completed the survey, and cannot link responses to individuals. If you have any concerns or questions, feel free to reach out to Aaron Silvestro, Senior Consultant Xref Engage at aaron.silvestro@xref.com you can find out more about Xref at www.xref.com

Why participate?

The survey will provide insights into the employee experience within the Institute, including challenges staff are facing. The results will highlight suggestions on what we can do to improve staff engagement and support. In addition, we will be able to track changes since our previous staff engagement survey in 2023.

We encourage everyone to take part—your feedback truly counts!
